**ST. CECELIA CATHOLIC SCHOOL**  
**2018-2019 Athletic Program**

August 7, 2018

Dear Athletes and Parents,

Welcome to the Athletic Program at St. Cecelia Catholic School (SCS). We are pleased your son/daughter has indicated a desire to participate in our after-school competitive sports program. We believe participation in an athletic program provides a wealth of opportunities and helps develop relationships which greatly enhance a student's school experience. All fifth through eighth grade students are encouraged to try out for multiple sports teams. We are confident their participation in our sports program will be a positive experience for the athletes and their families.

Included in this packet is important information about our sports program along with the expectations for our athletes, coaches, and fans. Please remember a commitment to excellence, a positive attitude, and good sportsmanship are basic expectations for the athletes of St. Cecelia Catholic School.

Thank you to our great athletes! If you don't make a team this year, work hard and please tryout again next year. Since the sports season is set up the way it is there is very little time to practice between each sport. We encourage every student to work on the skills for each sport outside of school in preparation for tryouts.

Thank you to our terrific parents and fantastic coaches! Without all of you our program would not be possible. We know it is a big commitment and we truly appreciate all of your hard work and dedication to make sports at St. Cecelia's the BEST! We are looking forward to another successful year and hope to see you at the games supporting all of our student-athletes.

At SCS we are *MODEST IN VICTORY AND GRACIOUS IN DEFEAT*, so let's make 2018-2019 the Year of the Champions! Go CRUSADERS!
