Fall 2015

Nathalie Sieh '15 uses *talents for service* in the Dominican Republic

This past summer, I went to “Batey Libertad” in the Dominican Republic. I spent 3 1/2 weeks living there, doing service work for a non-profit called Yspaniola (<http://yspaniola.org>) and assisting a Peace Corps

Volunteer teach health and wellness to children ages 5-14. “Bateys” are rural communities of Dominicans, Haitians, and Dominicans of Haitian descent that grew out of the sugar cane industry. In “bateys,” people of Haitian descent are often denied basic human and civil rights, including citizenship, the right to travel, due process, and have limited access to electricity, healthcare, clean water, sanitation, and education. Listening to the people who live there, especially the kids, I began to uncover a larger picture of what living in a “batey”

means. I feel that my experience there has changed the way I can help people now. I understand more of the world. I know what happens around the world. I encourage everyone to make service projects “your own” – because the act of helping others will help you to grow and change.

A Message from the Admission Director

Dear Alumni,

St. Cecelia Catholic School is off to an amazing school year! Enrollment at the school is at 483 students in grades PK3-8th grade. Improvements to the school campus are ongoing and include the renovation of the primary playground with the addition of astro turf and a shade structure. Classroom updates continue with the complete restoration of a classroom in the Hillcrest wing. New drop ceiling, lighting, cabinetry for storage and new white boards have made the classroom look like new. Plans are in place to continue the much needed updates and we are hopeful that through the generous support of our current families and alumni that the plans become a reality. Please consider helping us with this endeavor by giving a gift to the school, any amount would be appreciated. Please visit our website at www.st-cecelia.org under the alumni section on ways to give.

St. Cecelia Catholic School continues to provide its students with excellent academic programs and officially became an International Baccalaureate (IB) World School for students enrolled in grades 6-8. Plans are currently being made to apply for the IB program for students in PK3-5th grade making SCS the first private school in Pinellas County to offer the program in all grades.

We are very proud of our alumni and the accomplishments they have made and hope that you will follow us on Facebook at St. Cecelia Interparochial Catholic School as well as St. Cecelia School Alumni & Friends. Please plan on joining us at this year's Crusader Gallop on February 6th at Eagle Lake Park to visit with friends and enjoy a morning of exercise and fun!

CONGRATULATIONS TO MRS. JEAN DORAN ON HER RETIREMENT!

This past June we said good-bye to Jean Doran who had dedicated over 20 years to educating students at St. Cecelia Catholic School. Mrs. Doran had a knack for identifying the gifts and talents of her students, creating an environment where students were able to share these gifts to help others. Mrs. Doran's love for learning was contagious and could be felt in her classroom. Students were always engaged. They read, they composed, they presented and they produced. Each year students created their own books, dressed as European Explorers, and prepared for Enterprise Village under her guidance. Mrs. Doran could write the book on rigor, engagement, and critical thinking. She knew students learned by doing.

Mrs. Doran will spend her retirement days between Largo and Cape Cod, where she will enjoy her pastimes of reading and attending Jazzercise. This fall will bring new joys for the Doran Family when they welcome their first grandchild. We wish every happiness to Mrs. Doran in the next chapter of her life, and know that she will visit often as she has agreed to be a substitute teacher this year. Thank you for everything Mrs. Doran. You will always be in our hearts.

ZOE LOMBARD VIES FOR OLYMPICS

Zoe Lombard's '06 athletic prowess spanned about every sport when she was in high school — from volleyball and

basketball to track and swimming. But the 2010 Palm Harbor University High graduate has always been most lauded as a soccer standout, her quick feet making her the team's varsity captain and helping to win two state championships. As Lombard neared graduation from Boston College in May, she got a surprising question: Would she try out for a spot in the 2016 Summer Olympics — in women's team handball? Never mind that Lombard had never heard of the game. She took the plunge anyway and was picked for the team, which will play several qualifiers in coming months in hopes of representing the United States at the Olympics for the first time since 1996.

In Loving Memory

Renee Klee went home to Our Lord June 2, 2015 after her second battle with cancer. Renee and her husband Neil taught at St. Cecelia Catholic School. Renee spent 33 years as the foundation of the science department, which always excelled, retiring in 2012. Renee was truly loved by her students, coworkers and principal. Renee was well known throughout the Diocese for her support of Catholic education. Her steadfast faith was always an example to all that knew her and carried her through her first battle with breast cancer and second battle with a very rare stomach/intestinal cancer. Although we know that Renee is at peace with Our Lady and Our Lord, we pray for her, her husband and their three sons in this time of sadness as well as the St. Cecelia Catholic School family who knew her, loved her and will miss her.
